

Unhurried journey

UNHURRIED JOURNEY

C G
Trees sway, leaves change
Dm G
Red, gold, yellow haze
Dm G C (G)
One day, they'll drift away

Rivers, below
Shimmering and aglow
Winding through fields as they flow

C A Dm G
We're on an unhurried journey,
Dm G C (G)
journey through the breeze
C A Dm G
Come on this unhurried journey
Dm G C
Unhurried journey with me

One day, we'll stay
Arm and arm, by the bay
Watching those trees as they sway

And seasons may change
Snows will turn to rain
But memories will remain
