## LET IT COME, LET IT GO

*Chords: D - A - D (verse), G - D - A - D (D7) (chorus)*

A wave of sorrow washes over me (let it come, let it go)  
There are people saying i can't be me (let it come, let it go)

Let it come, let it go  
Let it drift in the river and flow  
Let it come, let it go  
Until the evening begins to glow

Summer cools with the autumn breeze (let it come, let it go)  
And the winter winds shake bare the trees (let it come, let it go)

Let it come, let it go  
Let it drift in the river and flow  
Let it come, let it go  
Let the chorus begin to grow

A joyous choir sounds above (let it come, let it go)  
They're shouting songs of peace and love (let it come, let it go)

We've faced our wildest joys and fears (let it come, let it go)  
As the daylight ends and the evening nears (let it come, let it go)

Let it come, let it go  
Let it drift in the river and flow  
Let it come, let it go  
Let the chorus begin to go
