

Unhurried journey

SPRINGTIME IN MY HOMETOWN

뒷동산 살구나 꽃은
가지가지가 봄빛이요
꽃 피고 뻗꼭새 우는
보리밭 머리엔 풍년일세

얼렁얼렁 련련련 상사디요
얼렁얼렁 련련 상사뒤요
오~~ 음~~
얼렁얼렁 련련련 상사디요

앞 냇가 능수나 버들
피꼬리 앉아서 울음 울고
저 가지 휘어나 꺾어
우리님 울밑에 꽃아보세

C Dm
Here in our backyard springtime is blossoming
C Dm
right before our eyes

C Dm
On a branch the birds are singing that
C Dm
the wheat fields are growing high

Am G
And under a flowing willow tree
Am G
sitting down by the stream

C G
We sing the chorus of the springtime harvest
Am G
breaking a branch to sing:

"Oh-lo-lo-lo lo sang sar-ee-yo"

We're bringing a branch to our house nearby
to join in the jubilee
Colorful hanboks, bows and ties
and the ribbons are flowing free

"Oh-lo-lo-lo lo sang sar-ee-yo"
