

Unhurried journey

UNDERNEATH THE MARSHMALLOW TREE

G D

Diving into crystal clear seas

Em D

Floating through a lavender breeze

C D

Rocketship daydreams flying o'er a sea of green

Underwater castles made of sea and sand
Spiral cloud staircases rising through the land
Wherever we wanna go, we'll go hand in hand

(C - D - C - D)

And we'll sing these melodies (la la la la)
And ramble through the breeze (ooh ooh ooh)
We'll close our eyes (la la la la)
And the sound comes alive

G B C (D)

Underneath the marshmallow tree

G D C (D)

You and me, we'll meet in a dream

G B C

Underneath the marshmallow tree

D G D C (D)

We'll fly through the nighttime sky

I can be a blackbird, singin' into the night
A sparrow or a mockingbird,
a swallow taking flight
As long as we're together, we'll be alright
