## FLOWER DANCE ផ្ការាំ

O Sakava, euy pkha trokoun  
pkha euy lek khloun, phka euy lek khloun  
knong beng saen changay

O Sakava, euy pkha saray  
pkha doh reay pay, pkha doh reay pay  
leuy phtey tik thla.

Oh in the winter  
Roots are growing and growing  
and searching for a home  
and in the springtime  
leaves are blooming and blooming  
where the sunlight will roam  
Oh with the flowers, we dance along!

O Sakava, euy pkha champa  
phka laor malehna, phka laor malehna  
doh kbaer cheung phnom  
O Sakava, euy pkha maroom  
phka rik chamm khmoum, phka rik chamm khmoum  
mok kreb lom ang.

And in the evening  
Children dancing and prancing  
and jumping high and low  
under the moonlight  
we will tell each other stories  
as the seasons come and go
